

ENJOY YOUR SUMMER WITH A VOUCHER

Terms

These terms supplement the General Terms and Conditions of Business of the cable car operators in the Aletsch Arena (aletscharena.ch/dataprotectionrules)

By purchasing a multi-day ski pass (from 6–21 days) in the 2017/18 winter season, you automatically secure your share of summer fun in the Aletsch Arena. This is because your ski pass comes with a voucher that lets you enjoy all the beauty of the Aletsch Arena next summer too. The voucher is valid exclusively during the 2018 summer season (9 June – 28 October 2018). It may not be redeemed for cash and any unused credit will not be refunded. Lost vouchers cannot be replaced.
